Position Title:	Senior Lecturer in Quantitative Research Methods
Position Type:	Other Academic Appointee
Division/School:	SOCIAL SCIENCES DIVISION
Hiring Unit:	SOCIAL SCIENCES DIVISION ADMINISTRATION
Position Description:	<p>The University of Chicago Division of Social Sciences invites applications for a position as Senior Lecturer in a new Committee on Quantitative Methods in Social, Behavioral, and Health Sciences. This is a full-time teaching position beginning September 2018 with a renewable three-year term contingent upon satisfactory performance review. The salary (nine months) and benefits are competitive commensurate with experience.</p> <p>To be eligible, candidates must have a PhD in a social, behavioral, or health science field with a strong focus on the application of quantitative research methods and a record of excellence in teaching and advising/mentoring students.</p> <p>The Senior Lecturer will teach four courses per year in quantitative research methods (at least one course per quarter during the three-quarter academic year). This includes designing and teaching a new course on "Design and Analysis in Social, Behavioral, and Health Sciences" under the supervision of senior faculty. For the remaining three courses, the ideal candidate would be able to teach one or two courses on psychometrics and multivariate statistics, and one or two courses to be determined on a yearly basis according to individual expertise and program needs. The courses will be open to undergraduate, master's, and doctoral students. Additional responsibilities will include the following:</p> <p><b>Program Development and Management</b></p> <ul style="list-style-type: none"> <li>–organize the biweekly workshop for the new Committee on Quantitative Research Methods in the Social, Behavioral, and Health Sciences (QRM); participate in selection, orientation, and hosting of external speakers (including engaging intellectually with scholarship in various fields);</li> <li>–co-author doctoral training grant applications and manage or participate in managing training grant awards;</li> <li>–participate in candidate evaluation, admissions decisions, and recruitment for the Master of Arts Program in Social Sciences (MAPSS) section for Quantitative Methods and Social Analysis (QMSA); advise individual M.A. theses as needed; participate in hiring decisions, training, supervision, and evaluation of an advanced doctoral student Preceptor in MAPSS for the QMSA section;</li> <li>–work with the faculty director of QRM to lead ongoing development and review of the curriculum for a new certificate in Advanced Quantitative Methods for students enrolled in graduate degree programs and ensure that the curriculum reflects the latest methodological developments; define and evaluate learning objectives across curricular and co-curricular initiatives; implement faculty-approved changes across the curriculum; coordinate QRM course offerings across departments for each following academic year;</li> <li>–oversee regular updating of information on the QRM website;</li> </ul> <p><b>Academic Advising</b></p> <ul style="list-style-type: none"> <li>–organize quarterly information sessions and advise students on course opportunities in quantitative methods;</li> <li>–advise students who are applying to PhD programs or are seeking other professional placement, write letters of recommendation.</li> </ul> <p>Applicants must apply on the University of Chicago's Academic Career Opportunities website at <a href="https://tinyurl.com/y8lvaokh">https://tinyurl.com/y8lvaokh</a>. The following materials should be submitted: 1) a cover letter, 2) a curriculum vitae, 3) a chapter-length writing sample, 4) Syllabi for two proposed courses, 5) course evaluations or evidence of past teaching performance, and 6) three letters of reference. Review of applications will begin May 18, 2018 and will continue until the position is filled or the search is closed. Later applicants are encouraged to contact Professor Guanglei Hong, <a href="mailto:ghong@uchicago.edu">ghong@uchicago.edu</a>, for updates on the status of the search.</p>
